welcome

Welcome to Lower Elementary at BMMA! I am beyond thrilled to join the Bella Mente team and to get to know your child and family. This year will be filled with positive change and growth.

My hope as a Montessori educator is to inspire a love of learning in my students, as I share my own passion for learning with them. I will strive to create a classroom community of open communication, support and lots of love!

a bit about me

I am a learner, a dreamer, and a creator who believes in the Montessori philosophy. I received my Bachelor's degree in Cultural Anthropology and Sociology at Florida International University. I have my K-6 Multi-Subject Teaching Credential and I attended Summit Montessori in Davie, FL for my Montessori Lower Elementary teacher training.

This will be my third year teaching at a Montessori charter school.

I am so thrilled to have relocated to the golden state of California and am excited to explore this beautiful land. It is not entirely foreign to me--

I lived here for two years as a child and have visited family here throughout my life!

I live for constant exploration and adventure, and fulfill this through traveling the world, reading books, writing, and keeping an open mind and heart in all that I do. I am also an eclectic music lover who enjoys dancing, sunny days at the beach, hiking, star-gazing and spending time with my family.

my favorites

For the Classroom: Amazon, Barnes & Noble, Michaels, Target, Waseca Biomes Montessori, Experiment/Art supplies

Guilty Pleasures: Fresh flowers, Starbucks, Whole Foods, Trader Joes, Sushi, Music, Shopping at Zara and Nordstrom, shopping for organizational tools or new items for the classroom!

"Let us give the child a vision of the whole universe. The universe is an imposing reality, and an answer to all questions. We shall walk together on this path of life; for all things are a part of the Universe, and we are all connected with each other to form one whole unity."
